Department	Insulation
Location	Field-based throughout the UK.
Reporting to	Operations Delivery Manager
Line Manager to	N/A
Key Relationships	Operations/Contracts/Project Manager, Project Coordinator, All trades, Retrofit Coordinator, HR, H&S, Customers, and Clients.

The information given below is intended to provide an understanding and appreciation of the workload of the job and its role within Everwarm. The job description outlines the main purposes in general terms only and is not intended to be prescriptive.

You may be required to carry out other duties in order to commensurate with the post. This will not change the character or purpose of the post but will be necessary to maintain high standards of business practice.

This job description, through Business reasons, may be altered from time to time to meet the changing needs of the Company.

Role Overview

Everwarm are seeking experienced and quality-driven roofers with a positive can-do attitude and a strong work ethic with a proven track record in all aspects of domestic works, including new roof installations and maintenance, works.

You will be experienced in all aspects of slating, tiling, gutters, leadwork, UPVC roofline, flat roofs, and the quality of work must be of the highest standards at all times as our customers come first.

As a lead energy efficiency business and due to the type of work Everwarm deliver, we require experience in PV Installations as well as general roofing expertise.

Main Duties and Responsibilities:

- ☛ Carry out PV Installations across various property types e.g. railing and paneling
- ☛ Carry out all aspects of traditional roofing
- ☛ Install roof and rail system to enable panels to be securely fastened.
- ☛ Run cable string to agreed point of access to allow Electricians to complete the works.
- ☛ Install protective measures around PV panels.
- ☛ Inspecting and handover of works to customers/clients.

Skills/Experience/Qualifications:

- ☛ Strong work ethic
- ☛ Experienced roofer and know how to slate, tile, and complete PV installations.
- ☛ Exceptional customer service skills
- ☛ CSCS card
- ☛ Recognised trade qualification e.g. City & Guilds or equivalent. (preferred)

Job Description

Additional Requirements:

- Disclosure Check/DBS
- Full UK Driving Licence
